Property Dedication Prayer

October 16, 2011 · Crestview Christian Church

Congregation, please read text in bold.

Father – King over the Universe, and Lord over this ground on which we now stand – we thank you for providing us with this land to use for your kingdom. We eagerly look forward to the relationships to be formed, worship to take place, knowledge to be gained, and lives to be transformed at this place. But tonight we acknowledge that it is not our church to grow or building to build. Your Word tells us that unless You are the builder, those who build it labor in vain.

You have called us to plant and water seeds of life in the community around us. You have called us to be the hands and feet of Your body. We are dependent and eager for Your leadership! Be the God of this land and the buildings, as well as the lives of those who will one day occupy them. Use this land to advance Your kingdom. Empower us with your Spirit to be good stewards of the resources you’ve given us to make a difference in this community – for Your glory.

Let this property be open to everyone in our community, and let us love them just as you loved all people. May you always be honored and praised here. In Jesus’ name, amen.
