CHILDREN'S MINISTRY

Kidcity Elementary Series

There's no one like you. Literally—no one! You're an individual. God made you who you are. And He did it on purpose. What if every kid in your ministry understood that at a young age? What if we all really believed that we were made in the image of God?

The fact is, we ARE made in His image. When we believe that, it changes how we treat ourselves and the people around us. This month, create an environment that sparks the wonder of creativity and imagination. Think architecture, blueprints, and schematics . . . sketches, drafts, and diagrams. Fill the room with visual reminders that each and every one of us was made by design.

Kidcity Pre-K Series

This month, we will begin laying the foundation for some very important future conversations around the subject of sexual integrity. Before we ever talk with kids and teens about what to do and not do with their bodies, we need to start with who made their body and why that makes them so valuable. And a great place to start is now, in the preschool years, with this simple but powerful truth—God made me.

Preschoolers need to learn now that they are wonderfully made by God, in His image.

This makes them very important and motivates them to respect themselves and others.
