## **Session #12 – Worship: Where It's All About God**

“Back in the days of World War II, a noted English churchman, William Temple, in an international broadcast, declared that one thing - and one thing only - could save the world from moral and civil collapse. That one thing is the worship of God.”

- E. H. Jams, *Principles for Victorious Christian Living*, Vol. 4, 1968

### **Thinking It Over**

How would you define “worship”? What elements make for a successful worship service? Why?

Are there ways in which worship has directly affected your life?

How do our lives affect our worship?

### **Exploring the Texts – Amos 5:21-23, 1 Samuel 15, 1 John 3-4**

What are the 7 acts of worship mentioned in this passage from Amos?

What are God’s 6 reactions to that worship? Why did He react that way?

What mistake did Saul make in 1 Samuel 15?

How do the principles in 1 John 3-4 relate to these other two examples?

### **Bringing It Home**

What would be your recipe for true worship to God?
