

# *It's All About God*

## **Session #4 – Dazzled By Wonder**

“Spirit” is the highest form of reality. God is Spirit; and since the maker and ruler of everything is spirit, it is obvious that the supreme, eternal reality in the universe is not matter, but spirit.

- E.H. Jams, *Christian Bible Teacher*, 1966

### **Thinking It Over**

Consider a time when you were dazzled by the wonders of nature. Why does nature often help us focus on God? What is it that keeps us from being dazzled by nature on a daily basis?

Who do you know that truly seems in touch with the wonders of creation? Is there a connection between those who are dazzled by wonder and those who have a deep level of faith?

### **Exploring the Text**

Read Exodus 33:12-23. What is it that God showed Moses, and how did He do it? Why did He do it that way?

How do we see God’s goodness today?

2 Corinthians 3:4-18. Do you ever live under a veil (something that keeps you from seeing God’s glory)? What does your veil hide?

### **Bringing It Home**

Reflect on Romans 1:20, and think about how you can notice aspects of this creation every day that will point you (and those around you) back to God?
