

“What is your #1 goal in life?”

Your answer to that question will reveal your dominant life value. Everyone has one. It's what we unconsciously base our decisions on. God tells us that love is to be our dominant life value. In fact, Jesus once said that of all the commands in the Bible only two are most important. Love God with all your heart and love your neighbor as yourself.

This video series focuses on those two commands. With conflict, divorce, violence, prejudice, abuse, division, and polarization around us daily, it's obvious we all need some lessons in building healthy relationships, and that's what 40 Days of Love is all about.

This study of what the Bible says about love will bring a revival of love to our relationships! We were made for relationships. The more we learn to how to love authentically, the more like Jesus we become.
