

The Boundless Love Interactive and Application Guide leads you step by step through the eight sessions in a choice of two formats: the 60-minute Fast Track or 90-minute full length option. Adapt the outlines to fit your own schedule for bringing the conference experience to groups of any size- or use it as your own personal devotional. Easy-to-follow, fill-in-the-blank summaries help you take meaningful notes to remember each speaker's key points, and thought provoking questions and suggestions encourage you to record your feelings and reactions and apply the lessons to your daily life.

This Women of Faith Boundless Love Conference in a Box includes everything you'll need to recreate, in eight outlines sessions, the phenomenal impact of this thrilling Christian women's conference- right in your own church or living room.

The kit contains:

- Kit contains 3 VHS tapes
- An Interactive and Application Guide
