

In the drama we call Christ, the Cross is the main act. When it comes to history, to Scripture, to Jesus, to the New Testament, there is only one main event. And when it comes to life, indeed, the life of all mankind, the same is true. That's what makes this study so important. You and your group will be studying the grandest topic known- God's redemptive plan of salvation.

To theologians it's called the Doctrine of Atonement. On a practical level, this course is about forgiveness of sin. Deliverance from death. The claims of the Cross.

Let there be no mistake. The cross is not an event in history. It is *the* event of history. You and your group will be blessed as you choose to dwell on the hill of Calvary. You will experience more fully than ever the impact of what God did to win your heart.
