

When Godly People Do Ungodly Things: Arming Yourself in the Age of Seduction by **Beth Moore** examines why devoted followers of Christ can fall into the traps of Satan. Believers are still subject to Satan's attacks. He is determined to disrupt the lives of Christians, destroy their ministry, and steal their joy. Sadly, those who have "fallen" may not recognize the devil's schemes until they have already been caught in a snare of defeat. As a renowned teacher and seminar leader, Beth Moore receives countless letters from repentant Christians who are limping along this road. Out of her genuine, broken-hearted concern comes this biblical guide to authentic repentance and restoration.

This seven-week study is written in three parts. The first part is a warning to believers, while the second part shows women how to prepare for attacks by the Enemy.

The third part is directed to those who have been snared by seduction, and compassionately points the way back to God. With 1 Samuel 12:20–25 as a guide, Christians can arm themselves against temptation and learn how to help other fallen believers.
