Daily Details

MONDAY, MARCH 12—MOUNTSBERG CONSERVATION AREA

Besides all the extra March Break activities available, campers will be able to see how maple syrup has been made throughout different time periods by varying peoples. They get to explore some hiking trails and visit the raptor centre to see cool birds of prey. Campers should dress appropriately for being outside for a good portion of the day.

TUESDAY, MARCH 13—CANADIAN WARPLANE MUSEUM

The Warplane Museum has been a favourite for many. A guided tour helps the campers understand not only what certain aircraft were used for, but also the stories behind them. This day will be indoors.

WEDNESDAY, MARCH 14—JOE ROCKHEAD'S CLIMBING GYM/FORT YORK HISTORICAL SITE

For half of this day, campers will get some training on climbing techniques from trained instructors at Joe Rockhead's Climbing Gym. The other half of the day will be exploring Fort York Historical Site. Be sure to have your child dress appropriately as half of this day will be spent outdoors.

THURSDAY, MARCH 15—TORONTO ZOO

Campers will adventure through the zoo seeing all sorts of familiar and unique animals. During March Break they are featuring the pandas. Campers should dress for the weather since we will be in and out of buildings for the entire day.

FRIDAY, MARCH 16—BALL'S FALLS CONSERVATION AREA

The last day is always our relaxing day to unwind and have fun with all the new friends campers have made. We'll go on a guided tour of the village or an informative hike through nature. Ball's Falls is an impressive, breathtaking area to experience! This day will mostly be outside so campers should dress for the weather.
