

## **FUSION INTRODUCTION - WEEK 1**

### **INTRODUCTION**

This week we started a new series called Fusion. It is the title of one of our steps in the assimilation process at Crosspointe. Last Spring was our last Fusion Class and about 50 Crosspointe people were present. We learned some things in that class and we have tweaked it for the future. At crosspointe our mission is, "transforming lives by the power of the cross...one life at a time." The transforming of a life is not a destination, but a journey. Crosspointe realizes the responsibility of a local church is to provide environments for Growth, but it is God who transforms the life. Fusion is a step in the faith journey with a challenge to every individual to change some life habits that will inspire, encourage and aid in our personal growing relationship with Christ.

Fusion is a practical plan that offers 5 life habits that when developed will aid in personal spiritual Growth. The question we all asked ourselves is, "Am I growing in my Faith"?

### **Discussion Questions**

1. What are some of the ways you can think of that the the spiritual life is compared to the physical life?
2. What is your answer to the question, "Am I growing in my faith"?
3. What was the cause of the disappointment of the writer of Hebrews with the Believers he was addressing in [Hebrews 5:12](#)? "You have been believers so long now that you ought to be teaching others. Instead, you need someone to teach you again the basic things about God's word. You are like babies who need milk and cannot eat solid food".
4. Is there more to growing faith than just knowledge and understanding?
5. How important is spiritual growth to you?
6. Would you say that giving God the first day of the week is a good habit? What does that look like to you?
