Be Rich - Week 2 - October 16, 2016 - Margin

INTRODUCTION

America has become convinced with the idea that somehow we can consume our way to prosperity. We spend what we don't have and we purchase what we can't afford. The lines have been blurred between what we want and what we need. The end result is living our lives with ZERO margin. Creating margin in our lives helps to bring back peace and serenity so that we can live to the fullest God intended.

According to this statement, would you say that you are Richly living with this kind of margin in your life? Why or why not?

MOVING FORWARD

When we submit to Godly principles concerning our schedule and budgets, we find margin. When we find margin, we live the abundant life God intended and we truly enjoy His blessings. We become extraordinary givers because we are extraordinarily receiving from the Creator of the universe. If you want God's created margin in your life, it means you have to abide in God's word and principles. A great way to start abiding in God's principles of Being Rich is to sign up right now at [YouVersion.com](#) and begin the devotional guide entitled "How To Be Rich" by Pastor Andy Stanley.

CHANGING YOUR MIND

As for the rich in this present age, charge them not to be haughty, nor to set their hopes on the uncertainty of riches, but on God, who richly provides us with everything to enjoy. - [1 Timothy 6:17](#) (ESV)
