"They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer. Everyone was filled with awe, and many wonders and miraculous signs were done by the apostles. All the believers were together and had everything in common. Selling their possessions and goods, they gave to anyone as he had need. Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved."

"Small group is a major reason why my relationship with Christ has grown like it has. And I'm thankful for my community group for when certain life events happened. The support of a few close friends is tremendous!"

Ingredients of a Community Group

Studying the Bible

At the end of the day, the Bible is the primary text we should be studying and “eating from.” So if we are reading through a book, or watching a DVD, it should ultimately be driving us further into the Word in our daily lives.

Learning Together

With the Bible as our foundation, in community we are learning together from it. We are wrestling with and discussing the application of Scripture’s truth to lives. We go about learning with humble hearts, and looking to sharpen one another in our faith. (Prov. 27:17)

Praying Together

In community, we not only gather to study the Word and build relationships, but to pray together. Prayer is not an afterthought or just tacked to the end of the time together, but it is an opportunity for us to worship and seek God together.

One Anothering

There are over 50 “one another’s” in Scripture. Love, care for, bear with, forgive, pray for, encourage, spur on... one another. Those one another’s can’t be practiced in isolation. 3D Community is mutual and shared.

Authenticity

The atmosphere in 3D Community should be a safe place to call home, and an environment where we can be authentic and honest before a loving God and friends. No “perfect people” are allowed in 3D Community.

Consistent Time Together

A 3D Community group is intentional about making time to be together. They set aside time in their calendars, and make face to face relationship time a priority in their schedules. They eat together and share life together in relationship.

Spiritual Gifts

As a part of the Body of Christ, every believer is given spiritual gifts to serve and build up one another. In 3D Community, we express and use these spiritual gifts (mercy, encouragement, administration, hospitality, etc.) for the glory of God.

Making Disciples

Jesus commands us to go and make disciples. So in 3D Community, we are not just growing as a disciple, but we are taking what we are learning and sharing it with others (disciplemaking). As a result, 3D Community is overflowing to others and multiplying.

3D COMMUNITY GROUPS

driven to REACH PEOPLE

Crosspoint’s desire is that people discover and build authentic relationships with one another. We all need a community of people around us to encourage, strengthen, and have fun with.
