ORGANIZATION PRAYER & ENCOURAGEMENT PARTNER

Choose from the many mission organizations that Cross Pointe Church supports and come alongside them to provide encouragement and prayer. Send notes or e-mails, pray that needs are met and become their personal Cross Pointe Church cheerleader! When ministry activities or mission trips occur, bring others together to provide prayer and letters of encouragement. What ministry is God calling your heart to support in prayer and serve as an encourager? Time Commitment/Frequency: As the Spirit leads!

LIVING WELL CRAFT CLUB MEMBER

The CrossPointe Church Living Well Craft Club is designed to support the Health and Hygiene Training that is a critical component of the semi-annual Living Water International Well-Drilling trips. By preparing the craft items in advance, numerous CPC members can become a part of the LWI Mission Teams – and never leave home! We will meet several times a year in advance of each trip to cut cardstock and construction paper, draw basic shapes, thread beads on bracelets and other simple preparation steps for the craft activities supporting the health and hygiene training offered to the women and children of the village served as part of each LWI trip. This service assists the team that has traveled by saving numerous hours preparing the supplies needed after each long, hot day. We will pray over the supplies, for the village to be served, for the in-country Living Water International staff, and for the members of the CPC team traveling to
