

News from Sasha and Olga Kim

Just like always, Christmas is an awesome, joyful but very busy time! We had a great celebration with the whole family.

Word of Life Church Christmas

In the church, Christmas service went very well. About three hundred people came to celebrate Jesus's birth on this earth. Many new people heard the Gospel.

We also held an annual Christmas dinner for pastors in Bishkek. It's a special event that we are able to organize for those who serves with excellence and sacrificial love to our Nation.

Pastors Care Ministry

Trip to Baku, to support pastor Ilya and pastor Rasim

In the beginning of the year we have made a trip to Baku, Azerbaijan, to visit pastor Ilya Zenchenko and his family, as well as other pastors who serve in different parts of the Country. We are so grateful for the opportunity to serve pastors, support them and care for their families. Every time we visiting pastors, they express deep gratitude for this ministry.

Family News

We are grateful for your prayers for our son David. He went to study in ltn. University in Lithuania, but he cam back to Bishkek for Christmas and decided not to go back to College.

in Lithuania, but stay home and continue his education here in Kyrgyzstan. Please keep praying for him.

You probably think what are these seeds or stones... these are from Olga's gall-bladder! Yes, the surgery went well. Olga is feeling much better now.

We are so thankful for your prayers for Olga, and for financial help your church provided.

THANK YOU so much!!!

John and Naomi's visit

Our mentors, John and Naomi Musgrave came to lead the leader's retreat for our elder board. It was a wonderful time of fellowship and strategic planning. John shared about their experience in Anapa Church and it was very helpful and we have made actual steps to go forward. Naomi served our wives. One night, she invited all our wives for dinner and shared about God's plan for relationship in family. All ladies were so happy!

Thank you so much for your prayers and support.

May God bless you!

Without you, this ministry wouldn't be possible. With love, Sasha and Olga Kim
