

Opportunity: Kids Check-In Volunteer

Time: Sunday morning before the Service

Every organization has a “front line”. In kid’s ministry, check-in is without a doubt that front line. Check-in volunteers give the first impression of Crossroads Church for Parents AND Children.

How parents and kids are greeted and the efficiency of the check-in system set the mood for the remainder of the morning.

As a Check-In Volunteer, your job is to welcome parents and kids to Crossroads and help ensure a speedy and pleasant check-in experience.
