

CROSS ROADS church

Opportunity: Infant Room Volunteer

Time: Sunday morning 1-2 Times a month
Reports to: Infant Room Lead

Preschool aged kids are very impressionable. They are soaking in all the things around them, observing all created things and watching how adults interact. We want to do all that we can to point them to a loving, BIG, great God! We want to share the good news of Jesus with them in a fun and memorable way.

As an Infant Room Volunteer, your job is to assist parents of the Infants of Restoration by giving them a safe and secure place to leave their child on Sunday morning.
