Growing Forward
“Family” from the start

Eighteen people met together on a cool Sunday, November 8th, 1998 for Crossroads’ first service. We met in the home of Pastor Jeff & Kim Burr.

We outgrew their house quickly and in November of 1999 we rented space at A. B. Miller High School. In North Fontana, California.

As we grew, we rented space at the local Friendship Community Church, about a mile from our soon to be home on Citrus Ave.

After these early steps, God lead us to our Citrus Ave building “stepping stone” in our journey. We enjoyed 7 years of growth at that location.

“All-Church Picture” at 8020 Citrus Ave - November 2008

Through ups and downs, set-backs and miracles, building funds and life groups, God has NEVER failed us and has always led us to reach the Inland Empire region of Greater Los Angeles.

All these “Stepping Stones” have led us to...
We are in negotiations to lease our own full Church Facility

This location will serve as:
- Crossroads’ Worship Center
- Church Corporate offices
- Mid-week Services and Outreach Base
- Home School Support Center
- Tutoring Center
- And more…

God is calling Crossroads to be **INNOVATORS**. To reach out to the many families who feel a great need for trusted education support, Crossroads plans to serve the Inland Region by providing values-based tutoring and supplemental education services. Along with other efforts, this is an innovative way we will continue to...

**“Reach Our Community One Family At A Time”**
What the future holds…

WE ARE HEADED TOWARD A GREAT GOAL.

Crossroads Community Church has a dynamic vision to become one of the most influential and effective family-building Christian ministries in the Inland Empire.

We continue to work toward leasing a 7,000 to 10,000 sq ft building in the southeast part of Rancho Cucamonga—the center of the tri-city area of Ontario, Fontana, and Rancho Cucamonga. This new centrally located “base of operations” will allow us to continue to reach the areas we have formerly focused on AS WELL AS reach new areas in the industrial and residential centers of Rancho Cucamonga and Ontario.

This future site will serve as a Worship Center, midweek Bible studies, family services such as Tutoring, Home School Support, and our administration offices. We are believing for a site that can accommodate 300 to 500 people, allowing for growth over the next 3 to 5 years. During this season, the church will be able to strengthen its position financially, so that we will be prepared to purchase a site of our own.

Most people don’t like change… It often feels like we’re losing something important and gaining something unknown. However, the Bible teaches us that—while God himself never changes—change is part of His plan.

Well known scripture verses like “Behold I am doing a new thing” and “if any man is in Christ he is a new creation” point to the fact that change is God tool to grow us in our walk with him.

As your pastors, Kim and I invite you to join us in embracing this change and pressing forward into the NEW vision that God has for Crossroads. Each one of you are an important part of this vision and—if we allow God to grow us—we will see God do great things in us, through, and for us. He is such a loving Heavenly father.

We love you and thank you all for your support.

Pastor Jeff & Kim
