# POLAR BEAR FUNDRAISER

## The Polar Bear Fundraiser raises money for Wise N' Up and RUSH!

Our Wise 'N Up event, held in the summer, is an exciting four days of learning about God and important values in a fun and wacky way! Each night starts off with energy-packed music, funny skits and Bible teaching. Then, the kids head outside for some wild and messy team games. This event is open to the public for kids ages 5 thru 5th grade. To learn more about this event please feel free to visit our church website and watch the recap video at [www.crossroadssheboygan.org](http://www.crossroadssheboygan.org).

Our Youth Group, a.k.a. RUSH, Reaching Unlimited Spiritual Heights, works with students from grades 6 to 12. This group is devoted to helping teens grow spiritually through teaching, small group discussions, and fellowship with other teens. Some of the funds raised will help pay for upcoming service projects and mission trips.

For our fundraiser we have teams of 2 people each, raising money to send their teammate into Lake Michigan, January 1st with the rest of the Polar Bears. That means we have people willing to enter Lake Michigan solely to raise money to support these causes. However, only half the people, those that raise the least amount of money, will have to take the plunge.

**Make your pledge today to either save your friend or relative from the frigid waters or to send them in!**

**Then join us on January 1, 2011 to see it all happen!**

1:00pm North Beach, Sheboygan, WI  
Fun and games to follow at Christian High,  
929 Greenfield Ave., Sheboygan.
