

## Our Mission:

Helping Kids take their next steps to Jesus.

**JAM**  
JESUS AND ME

Kids attend JAM classes while parents attend church. There is a class for every age – up through 5th grade in our Bible-based, exciting JAM program.

## How Does JAM Work?

- Classes open 10 minutes before each service.
- Parents check their children into the age appropriate classrooms. Parents can then go and enjoy the service while the kids enjoy and learn in JAM.
- If parents are needed, the child's security number will be displayed on the screen at church, or they will be sent a page if given a pager.
- Parents return the claim tag in order to pick up their children after the service.
