## the 3 C's

Our three main ministries for kids at Daybreak seek to help kids:

- **Celebrate** who God is and what He's doing
- **Connect** with others in God's family
- **Contribute** by helping others know God.

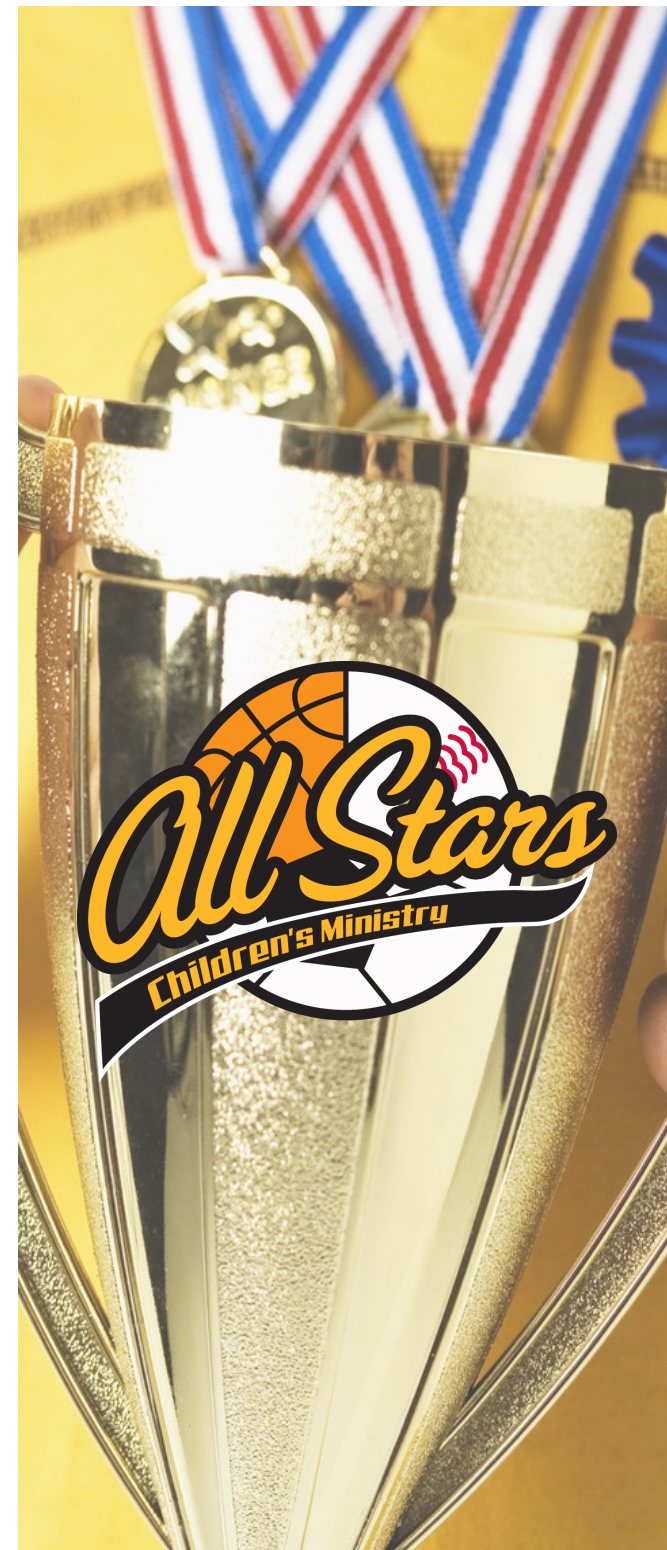

These align with Daybreak Church's vision of Helping people discover a life-changing journey with Jesus by Celebrating God's Grace, Connecting with God's Family, and Contributing to God's Work.

### All Star's Goals:

- Teaching will inspire kids to take their next step with Jesus. The message will be relevant to kids, in a medium that connects with kids, and will be remembered outside of church.
- Sunday morning activities will reinforce the Bible Story.
- Children's Ministry should always be the safest environment possible for kids.
- All students and adults serving hands-on with Children's Ministry must be great at connecting with kids
- Children's Ministry programming must intentionally bridge the gap between Children's Ministry and parents.
- Kids and families from the community should be consistently invited to church
- Promote age-appropriate 3 C lifestyle at all times.
  - All Sunday morning kids should be intentionally invited to Scrimmage
  - All Daybreak Church kids should be invited to Contribute.
- Every volunteer in Children's Ministry will be equipped by a leader.
