### Shrimp opportunities

Deiss Seafood sources shrimp from all over the world with a focus on the finest quality and shrimp packers available. In many cases we work directly with the fisherman and dock owners that catch the shrimp. We then choose which packer is best suited to process the shrimp to Deiss Seafoods rigorous specifications.

The following are just some of the items we specialize in;

USA wild caught Rock Shrimp

USA wild caught Royal Red Shrimp

USA wild caught domestic white shrimp

Imported Black Tigers

Imported White shrimp

Head on cooked shrimp

Canadian Cold water Salad Shrimp

South African Farm Raised Prawns ([click here](#))

(Grown in the World's first Bio-secure fully enclosed sustainable prawn's farm)

For more info on the shrimp farm ([click here](#))

All our shrimp is guaranteed 100% net weight and produced in responsible HACCP approved plants. Give us the opportunity and Deiss Seafood will provide you with competitive priced premium quality products.
