WHAT IS A MEN’S ENCOUNTER?

First ask yourself these questions:

- Do you sense you just need a change?
- Do you feel you need a renewing of some sort?
- Do you sense there’s just something holding you back?
- Do you find your days being rushed, rapid, and sometimes even relentless?
- Have you headed home from work anytime lately and just felt exhausted and that your family is not a source of joy and renewal anymore?

Any of these hit home? If yes, an Encounter may be what you’re looking for!

A men’s encounter is a weekend with purpose. Hundreds of men have already attended this life-changing Encounter and have walked away with tremendous testimonies of how God has changed their lives. Whether you have been a Christian your entire life or recently entered into your walk with Christ if you come with a humble heart, ready to allow God to change you from the inside out, and you are genuinely ready for transformation your life will be changed forever!

A MEN’S ENCOUNTER IS NOT...

- A men’s retreat!
- A guest list of motivational speakers with books on sale!
- A weekend golf trip!
- A vacation!

A MEN’S ENCOUNTER IS...

- A time for revitalization!
- A time for catching vision!
- A time to figure out what’s most important to you!
- A time to let go of the past and experience the future!
- A time to reflect on where you’ve been and where you’re going!
- A time for figuring out what you really want to do with your life!
- A time for hearing men like you sharing stories of transformation!
- 40-80 men being lead over a two day period by empowering testimonies, 14 biblical teachings, and dedicated reflection times to connect with God...AND SO MUCH MORE!

“I’ll be honest, I really didn’t want to go on the Encounter. I was fully convinced my walk with God was good and that I was way too busy to go. However, through the encouragement of my wife and a few friends I went. I soon realized how foolish my thinking had really been! My experience that Encounter weekend and the two years since have truly changed and transformed my life. In fact, 100% of the other guys I went with have said the same exact thing and many of them did not want to go either. Words really can’t describe the FREEDOM I have experienced as a result of the Encounter process. I HIGHLY encourage every man to invest in this opportunity.”
