

What others are saying about Alpha

For as long as I can remember, through my childhood, teen, and adult years, I have asked questions. One question I constantly asked myself was "Do I believe in God?" I had no answer and it bothered me. By the end of the third Alpha evening, I had come to a few realizations that were truly stunning for me. I knew that Jesus died for me and that I could never 'sit the fence' again. — Jill

I have learned more in the space of a few weeks than I ever had in years of attending church. — David

Everything Alpha gave me was so positive; it gave me the beginnings of understanding what being a Christian means. It gave me warm friendship and a sense of belonging. It gave me patient and thoughtful answers to all my questions. — Sarah

Alpha is wonderful — life changing! Alpha answered and clarified all the basics for me and put me on firm ground to travel forward on my journey with God. — Mary

From the very first meeting, we felt this is what had been missing from our lives. It felt like coming home. — Margaret and Keith
