

THE COMING OF SALVATION LUKE 10:1-10

Introduction:

Jesus declared it—“Today salvation has come to this house!” A Jewish man who was lost has been found, a man away from God has been restored.

“Salvation” is such a rich word. It encompasses all that God does for an unworthy sinner when He forgives and restores Him.

Zacchaeus is a case study in God’s saving work. Since salvation is the need of every person, this incident should be a point of high interest for us.

- I. SALVATION COMES THROUGH JESUS.
 1. It comes at His initiative.
 2. It comes as His work.
- II. SALVATION COMES TO THE WORST OF SINNERS.
- III. SALVATION COMES BY FAITH.
- IV. SALVATION COMES WITH TRANSFORMING POWER.
