

# THE MAJESTY OF THE LORD

## PSALM 8

Introduction:

The majesty of the Lord is visible to the eyes of faith. When the eyes of faith see the majesty of the Lord, the lips of faith respond with praise.

He is the LORD, Yahweh, Jehovah, the Lord of salvation. He is the Lord, Adonai, the Lord of sovereignty. David had been allowed to see the majesty of the LORD by faith and blessed us with this beautiful hymn of praise.

Have not all of you who have faith found yourself singing these words?

They feel so comfortable on the lips of those who truly “see” the Lord in His majesty.

- I. WE SEE THE MAJESTY OF THE LORD IN THE EARTH.
  1. The variety in nature reveals the majesty of the Creator.
  2. The interdependence in nature reveals the majesty of the Creator.
- II. WE SEE THE MAJESTY OF THE LORD ABOVE THE EARTH.
  1. The vastness of the heavens reveals the majesty of the Creator.
  2. The beauty of the heavens reveals the majesty of the Creator.
- III. WE SEE THE MAJESTY OF THE LORD ON THE EARTH.

1. The dignity of man reveals the majesty of the Creator.
2. The dominion of man reveals the majesty of the Creator.

Conclusion:

How encouraging it is to know that the majesty of the Lord can now be manifest through us on the earth in spite of our fall into sin! The majesty of the LORD revealed in the redemptive work of the Son of Man makes it possible. O may His beauty be seen in me, and in you.
