Thank you to all the students, teachers and parent volunteers who made this year's Grandparent's Day a HUGE success! We had 135 Grandparents present and over 258 on campus for the day. Please find your photos enclosed and share them with your grandparents. Thank you for honoring your grandparents and the Lord with your words and actions this past Friday, making this Grandparents day one of the best ever!

The Athletic Department needs your help with home soccer games!

1. We need people to help work the concession stand
2. Bringing 2 dozen cookies to home games
3. Collect money at the gate
4. Help run the score board
5. Ball Runners

If you can help with any of these, please call the school office. You can choose both boys and girls games or just one. Thank you so much for your help . We look forward to a great season.

Any questions about the concession stand please call Mindy Riss at 771-1251.

Any other questions please call Nancy Mowrey in the school office at 371-7395

ATTENTION PARENTS:

We would like to ask that ALL parents sign and date the take home envelopes, in order to make sure parents are getting all information from DCS. Please have your student return the envelope the next day to his/her teacher or the school office. Thank you!

Engrade Pro is the online program we use for DCS grading for 3rd –12th grade so parents and students can have access to their grades. If you have any questions about your student and/or parent login please contact the school office.
