## TODDLER NEWS

"It is good to give thanks to the Lord..." Psalms 92:1 CEB

As the end of the school year draws near, we want to express that our hearts are full of pride as we have watched our toddlers grow during the last 9 months! They have developed their individual social skills and are now showing their independence while participating in crafts, play, and circle time. The children are using words and actions to communicate their wants and needs. They are also repeating words that they have memorized from our classroom routine such as our circle time songs and the Pledge to our Flag. It has been a joy to share this year with your child and your family!

During the month of May our theme will be "All about Me." We will continue working on our fine motor skills and we will review our colors and shapes.

Please note the special dates below regarding your child's end-of-the-year music program and party! Also, please check our message board and your email for updated information regarding the parties.

Parents, we thank you for a wonderful school year. Your continuous support and involvement was key to our success, always asking what we need and how you can help us! A special thank you also goes to our fantastic room mom [Kiera Stallings](#) for all that she has done for us! Have a fun, restful, and safe summer!

Thursday & Friday are the last days of school!

## 3's News

Class 3-2 Ms. Trish and Ms. Laurie  
Class 3-3 Ms. Ashley and Ms. Sarah

### Happy May!

It's hard to believe the year is coming to an end. This year has flown by, and we were truly blessed with incredible classes. We only have a few weeks left and we will certainly go out with a bang. Please come enjoy your children's art at our rescheduled Art Show on May 3<sup>rd</sup> and 4<sup>th</sup>! We will begin the month working on some special Mother's Day crafts and sharing stories of why we love our moms so much. The three year olds at Christian Beginnings love honoring our moms with a special luncheon on May 11<sup>th</sup>. We can't wait to see all our lovely mothers at this fun event.

The remainder of the month is spent learning our May bible verse, number and letters and reviewing the shapes and colors we learned over the course of the school year. We also talk about summertime fun, the beach, and upcoming holidays that celebrate our nation! We know we say it often, but we truly can't thank you all enough for an absolutely fantastic year. Our students and families have been amazing. We hope everyone has a fun and relaxing summer, and we wish much success in the future for all our students. Blessings!

### Dates to Remember

- May 3 /4 - CB Art Show
- May 11- Mother's Day Luncheon  
*\*More information to follow*
- May 18 - Spring Music Program/Party  
and Last Day of School

## Have a great Summer

Ms. Connie, Ms. Jodie, Ms. Katie and Ms. Tia

Christian Beginnings  
Kindergarten  
FROG Pond Newsletter  
May 2018

It's hard to believe that the end of the year is here. Your children have learned so much and continue to amaze us with their progress. This is such a bitter sweet time. We love each of your children and we are so proud of all they have accomplished this year. Saying goodbye is hard, but we know they are prepared. You have all been such a blessing!

### What's Hoppin' This Month?

**Phonics:** We will continue to fine-tune our reading and writing skills. There are several phonetic rules that we will cover. Soon your child will be bringing home a book we are making in class, "My Phonics Rule Book". My hope is that you will use this book over the summer and the next few years to practice and add new rules as they learn them. Remember to read and write with your children every day over the summer to build confidence. The more they practice... the better they will get!

**Math:** We will explore various units of measurement and learn a little about fractions. We will also continue to work on number recognition, addition, and subtraction.

**Social Studies/Science:** This month we will continue our study on the symbols of the United States of America and the National Holidays.

"It is good to give thanks to the Lord..."

Psalms: 92:1 CEB

### Dates to Remember

May 2<sup>th</sup>: Pack Happy Sacks- More to come!

May 3<sup>rd</sup> -4<sup>th</sup> - Art Show

May 8<sup>th</sup>: Sing for the Senior Fellowship Luncheon- Please dress nice!

May 18<sup>th</sup>: Graduation 11:00 am  
Reception/lunch/party immediately following our program

May 20<sup>st</sup>: Our church would like to recognize our Christian Beginnings graduates! We have been invited to the 11:00 Service on Sunday, May 20. The children will need to meet me in the classroom at 10:30 to get their caps and gowns on. Please make plans to join us and RSVP in the classroom. We would love for everyone to come!

Anna - June 18  
Andrew - June 18  
Rylyn - June 28  
Darin - June 28  
Addy - June 30  
Ms. Nancy - July 23  
Asha - August 4

## Science May 2018

I can't believe that it is May already. It seems like we were just saying, "Welcome back!" and now it's almost time to say goodbye again. We had fun learning about animals in April. We have all been watching the butterflies and ladybugs grow. I am hoping that we will have butterflies and adult ladybugs before school is over.

May is all about having fun with some explosions! We will be experimenting with different types of materials to see what happens when certain chemicals mix. Don't worry; I will keep everyone out of the "danger zone."

Keep experimenting!  
Ms. Beth

## Cross Fit Kidz May 2018

The end of the school year quickly approaches and we will be busy this month of May. We will continue some balancing and thinking games. In class, we will play a lot of games that require two and three step instructions (sometimes easier said than done, but we'll have fun). We will play games with the parachute ... always a favorite. We will continue watching our "healthy garden" grow and hopefully plant them outside. Before I end, I want to thank each of you for sending your kids to us. I have truly enjoyed the year with them.

### Did you know?

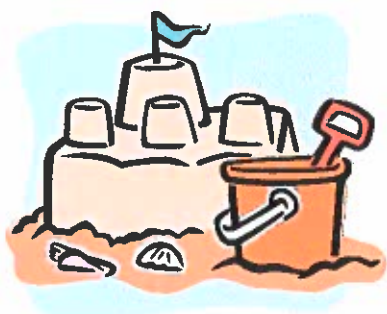

Lazy days at the pool or beach are warm weather rituals for many families. But if you're tempted to let your child play outdoors for even a few minutes without the proper sun protection, you're taking an unhealthy risk.

Always put sunscreen on your child before going outside. Make a fun game of it. Teach your child to spell BEENS to help you remember to cover often-forgotten spots: back of knees, ears, eye area, neck and scalp.

Apply sunscreen 15 to 30 minutes before going outside. Then reapply every 2 hours or sooner if your child has been swimming. Water-resistant sunscreen wears off – check the label to see how soon you'll need to reapply.

Have a safe, wonderful, relaxing summer and I'll see you next year!

Healthily yours,  
Ms. Beth

## Music Notes May 2018

Holy Crow! If I were any busier this month, I don't know what I would do. It's wild around here! This time of year is a blast for us here at Christian Beginnings, but I must say, the music classes are hopping!

Here is a list of what we are doing this month as far as Musical Performances:

Singing for Senior Fellowship on Tuesday, May 8<sup>th</sup> at 11:30 am in the sanctuary

Spring Music Program for Tu/Th Toddlers and 2's on Thursday, May 17<sup>th</sup> at 11:00 am in the sanctuary

Spring Music Program and Kindergarten Graduation on Friday, May 18<sup>th</sup> at 11:00 am in the sanctuary

I am sure you will be hearing these dates several times, but it never hurts to put it on the calendar now. 😊

Just so you know, these are all "dress up" occasions for the kids. We want to put our best foot forward as we show you how much fun we have had this year. For the Spring Music Program and Kindergarten Graduation we are having a summer fun themed show. Please talk to your child's teachers and see what special outfits they would like the kids to wear.

I must say, it has been a pleasure teaching each and every one of your children this year. They amaze me every day with their stories, their funny questions and their joy for life.

For my friends who are graduating, I hope that you continue to let your light shine wherever you go! Hopefully, we at Christian Beginnings have planted the seeds to help you bloom for a lifetime. I hope you all have a great summer and I look forward to seeing many of you again this fall.

Blessings,  
Ms. Beth
