MOMENTUM

A week of passion lead to a weekend of panic. While there was a lot of excitement upon Jesus' entry of Jerusalem, He eventually went to a criminal's cross. Thankfully and miraculously, though, what followed was only a temporary tomb. And because Jesus is alive, all of the dead places inside of us can come to life too! So join us this Easter season as we look at the work Jesus put in that week and the weekend that changed everything forever! If Jesus left the grave behind Him, so can we.
