Harold Niekamp IT Manager

Harold's formal education includes a degree from Miami Jacobs, numerous Microsoft and IBM classes. He also has extensive experience in accounting, manufacturing and information systems, as well as management in the same areas. (including AS400, Microsoft exchange, and Microsoft Windows SP, Vista and Windows servers). Boiled down, Harold keeps things running smoothly in-house and for our clients as well. He is responsible for managing all aspects of the information systems and computer technology areas of our firm. He's basically the Harold of all trades, and master too.

What you might not know about Harold? When not keeping the technology world out of chaos, he spends his time in Minster volunteering for his church, sitting on the board of directors for the Auglaize Co Housing development or keeping things running smoothly on his 100 acre farm.
