#### **For Women Only**

**Class:** *Keep It Shut* by Karen Ehman

**Description:** From Bible times to modern times women have struggled with their words. What to say and how to say it. What not to say. When it is best to remain silent. And what to do when you've said something you wish you could now take back. In this book a woman whose mouth has gotten her into loads of trouble shares the hows (and how-not-tos) of dealing with the tongue.

Christian women struggle with their mouths. Even though we know that Scripture has much to say about how we are—and are not—to use our words, this is still an immense issue, causing heartache and strain not only in family relationships, but also in friendships, work, and church settings.

**Where:** Room 211

**What to Bring:** Bible, note pad, pen

First Place 4 Health members will learn how to let go of their frantic need to control their circumstances, which often leads to stress induced, out of control eating. They will also take positive steps toward letting God take over the management of their mind, emotions, body and spirit. As Christ moves into first place, life moves into balance.

The study contains 12 weeks of daily studies to help you put Christ in first place.
