Enabling every person to experience the living Christ in life-transforming ways
Welcome to Sunday morning at Eaton Church of the Brethren. If you’re visiting us for the first time, we will not embarrass you, have you stand up, or ask you to give money. We want you to feel comfortable and enjoy the relaxed atmosphere.

Please feel free to pick up a visitor’s packet at the Info Center with information about the church, our ministries, facilities, and opportunities to get connected. You can remain as anonymous as you’d like. When you’re ready, we have a Connection Card in the back of the seat in front of you that we’d like you to fill out. After you fill it out with all your important information - which, by the way, we’ll never give away or share with anyone without your permission - you can drop it off at the Info Center. You can also find out more on our website, www.eatoncob.org.

Yesterday we began our series *Mirror, Mirror*, looking at how the Apostle James refers to Scripture as a mirror, showing us not only what we look like but also how God sees us. The metaphor of a mirror is a good one, though maybe slightly lacking. If James were alive today, he might have picked something else.

In the first century, mirrors were a relatively new invention and not in the least perfected. To get the picture—pardon the pun—consider those mirrors you might find in a park restroom. They’re really just polished metal. Not much help if you’re trying to spot broccoli in your teeth or a stray gray to be plucked.

If only James could see our mirrors today, like the one we have in our bathroom that magnifies. Even more, I think James might have used the metaphor of a picture or a video. Better than a mirror, pictures seem to tell a truer story. (Can something be *truer*?)

Pictures provide perspective you might never have achieved with a mirror.

But even more than a mirror or pictures or video, I think today James might have gone with an X-ray machine. Yeah, that’s it. God’s Word is like an X-ray machine or an MRI or something like that. It reveals all kinds of crazy stuff.

For the word of God is alive and powerful. It is sharper than the sharpest two-edged sword, cutting between soul and spirit, between joint and marrow. It exposes our innermost thoughts and desires. — Hebrews 4:12 NLT

God’s Word goes beyond surface appearance and peers down deep between joint and marrow.
