Wayfaring Stranger

Am
I am a poor wayfaring stranger
Dm Am
Just traveling through this world of woe
Am
But there's no sickness, no toil nor danger
Dm Am
In that bright land to which I go.

F Dm
I'm going there to meet my Father
F Am
I'm going there no more to roam
C G Am
I'm just a go-going over Jordan
Dm Am
I'm just a go-going over home.

I know dark clouds will gather 'round me
I know my way is steep and rough
But golden fields lie just beyond me
Where souls redeemed will weep no more.

I'm going there to meet my Father
He said he would meet me when I come
I'm just a go-going over Jordan
I'm just a go-going over home.

<instrumental>

I want to wear that crown of glory,
When I get there to that bright land
I'm gonna' sing salvation's story,
In concert with that blood-washed band,

I'm going there to meet my Jesus,
And sing his praises evermore
I'm just a go-going over Jordan,
I'm just a go-going over home.

I'm just a go-going over Jordan,
I'm just a go-going over home.

Man of Sorrows

Words & Music: Philip P. Bliss, Arr. Matt & Jason

C Em
Man of Sorrows! what a name
F C G
For the Son of God, Who came
C G/B Am
Ruined sinners to reclaim.
C G F C
Hallelujah! What a Savior!

Bearing shame and scoffing rude,
In my place condemned He stood;
Sealed my pardon with His blood.
Hallelujah! What a Savior!
F G F G
Hallelujah! What a Savior!

Guilty, vile, and helpless we;
Spotless Lamb of God was He;
Full atonement can it be?
Hallelujah! What a Savior!

Lifted up was He to die;
"It is finished!" was His cry;
Now in heaven exalted high.
Hallelujah! What a Savior!
F G F G
Hallelujah! What a Savior!

When He comes, our glorious King,
All His ransomed home to bring,
Then anew His song we'll sing:
Hallelujah! What a Savior!
Am Em F G
Hallelujah! What a Savior! (3X)

IZZY'S SONG

intro (D G)

D G D
Lord who am I that I should deserve
A Bm
The cost of my ransom at Calvary's curse
G D
Where God's only Son was wounded and crushed
G A D
To pay all my sin's debt with Jesus' own blood

CHORUS:

G D G Bm A
Here I am Lord, with all I am Lord
D
Lord send me
G D G Bm
For your kingdom, and your glory
Em G Bm A D
For the fame of your great name here I am

God open my eyes to see what you see
Loving the world as you hung on the tree
You bled for our sin and redemption begins
Beaconing all of the lowly come in

I want to die to set others free
So the lost and broken will see Jesus in me
To lay down my life and take up the cross
And follow my Savior what ever the cost

Ending:

G D G Bm
For your kingdom, and your glory
Em G Bm A
For the fame of your great name
Em G Bm A
For Your honor and Your praise
Em G Bm A // D (G D)
Lord in life or death I'll say ... Here I am!
