Patience and Faith

Dear Parents,

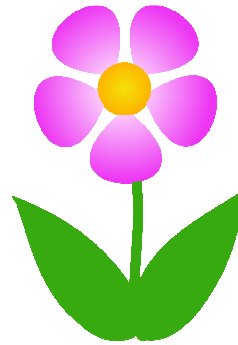

This month in preschool we will begin a unit on "Patience and Faith". With Easter just passing, it is fitting that we begin to tackle this difficult concept of believing in something we can't actually see and having the patience to wait until something great happens!

One great way to show this is through PLANTS. We will examine plants and seeds through literature, activities and experiments.

Hopefully the weather will cooperate and we will spend some time outdoors looking for Spring changes in the plants around church!

***** Plant Sale Orders are due TUESDAY APRIL 3!*****

This is our biggest fundraiser of the year. All proceeds benefit our classroom. If you garden please consider ordering some of your potted plant and flats through us! The quality is amazing and they will be ready for pick up on Friday May 11 at dismissal!
