## REFLECTIONS...

RANDY ROPER  
MINISTER

This time of year often represents new beginnings. Summer is quickly winding down and students and teachers will soon be going back to school. The approach of fall also signifies some very important changes and opportunities within our church family:

- **Time Change** – In an effort to make Sunday evening worship assemblies more accessible for college students, young families, and senior members, church leaders have decided to change our evening assembly time from 6:00pm to 5:00pm, beginning Sept. 4. Please spread the word and make a renewed commitment to participate in Sunday evening assemblies.
- **Welcome!** – We look forward to welcoming many college students who will make Edmond their church home-away-from-home. A special college-led service is on Sunday evening, Sept. 4, followed by a church-wide ice cream supper.
- **Special 9-11 Day** – To thank God for 10 years of blessing at our current location and to recommit to reaching our community for Christ, we will have a "Day of Consecration and Commitment" on Sunday, Sept. 11. In addition to a combined morning service, there will be a congregational luncheon and special outreach project.
- **Preaching** – In September, we will begin two new sermon series. On Sunday mornings, we will look at important lessons from Paul's missionary journeys (Acts), and on Sunday evenings, we will explore spiritual disciplines that can help shape our lives.
