

"TELL A FRIEND" COUPON

Parents are our best advertisement. Your good report and positive comments to your friends are more effective than an advertising campaign. We want to reward your efforts. For every student that is enrolled at EŞCS because of you – we want to give you \$_____ off your December's tuition.

If you have a friend that you have been talking with that is considering enrolling, give them the coupon below. If they attach it to their application and enroll for the fall, you will receive credit. In addition, they will also receive \$50 off their first month's tuition as well. So... "Tell a friend about El Şobrante Christian!!"
