

Epworth United Methodist Church

New Life

*Therefore, if anyone is in Christ,
he is a new creation;
the old has gone, the new has come!*

2 Corinthians 5:17

NEW LIFE is one of the United Methodist Women's groups at Epworth UMC. We are an evening group that meets on the second Monday night of each month in homes of our members. We gather at 7:00pm for fellowship and refreshments. Business begins by 7:30pm, followed by a program. Our program begins with prayer and singing. We have Bible study related to a topic or book by discussing and sharing.

In addition to annual pledges made to help with missions around the country and world, we have quarterly projects. Some of our projects have included the Methodist Children's Home, helping a family in need, Humble Place, and assisting families affected by AIDS. We also support the "Golden Agers" luncheon held at Open Door and other unit activities at Epworth and the Columbus district.

One of the highlights of our year is our annual retreat. This spiritual renewal weekend is a time apart for fun, fellowship, sharing, resting, singing, praying, Bible study and enjoying nature. We laugh, sometimes cry, and always have a great time!

The New Life group is a caring, supportive and loving fellowship of women who seek to share the love of Jesus Christ. You are invited to join us. The door is always open!
