

Whiz Kids is a program/tool that City Gospel Mission provides to our church so that we may connect to children & families in a local school that we would otherwise not be able to reach with the Gospel of Jesus Christ.

Whiz Kids is about tutoring and mentoring 2nd-6th grade children. We currently partner with Lindeman Elementary School in Erlanger, Kentucky to reach more than 30 children and families. We gather on Monday nights for an hour of reading tutoring and then 30 minutes of Jesus time. However, the relationship our church has with these children, families, and school continues beyond the once a week meeting.

Our vision for this ministry is to transform the lives of families, volunteers & school personnel in regard to their physical, social, mental, and spiritual well-being thru one to one tutoring, loving relationships, and sharing in word & deed the Gospel of Jesus as we welcome them to be a part of Erlanger Baptist Church.

If you are looking for a new way to connect and allow the Lord to use you in a significant way, contact our Children's Ministry Office and set up an appointment.
