### Think about this...

"We are bound to the Lord by the strongest ties, and the manifestation of our Father's love should call forth the most filial affection and the most ardent gratitude. The laws of God have their foundation in the most immutable rectitude, and are so framed that they will promote the happiness of those who keep them" Our Father Cares P.35

*"God wants us to be His children. God wants to be our heavenly Father. In fact, this is one of the most powerful messages in the Bible. God is willing to make us part of His special family, but that does not happen automatically. We must enter His family in the special way He has prescribed. That way is summed up in these words:*

*"Yet to all who received Jesus, to those who believed in his name, he gave the right to become children of God—children born not of natural descent, nor of human decision or a husband's will, but born of God." (John 1:12-13).*
