Dr. Neil Nedley’s “*Optimize Your Brain*” Series hosted by Robert Hamilton starts Sabbath, October 27, at 2:30pm. This will be six weeks of exciting useful instruction with the object of helping us learn how to think, act and live in a way that promotes optimal brain function and so be more useful as we glorify our God. “The measure of intelligence is the ability to change” Albert Einstein.

**Think about this...**

“Jesus doesn’t want any lukewarm followers. They don’t have life in abundance like God wants to give us and they are a bad example even though most of them don’t even know it. The problem is much more serious than we think. “Half-hearted Christians are worse than infidels; for their deceptive words and noncommittal position lead many astray.” Personal Revival P.38
