PRESIDENT

Brian Fuller

Religious Studies, Full Gospel Bible Institute, 1979-1981; Marketing Administration, Northern Alberta Institute of Technology, 1981; Bachelor of Arts, California State University, 1996; Master of Arts in Education, Fresno Pacific University, 2002; Administrative Services Credential, State of California, 2004; 2008 - present.

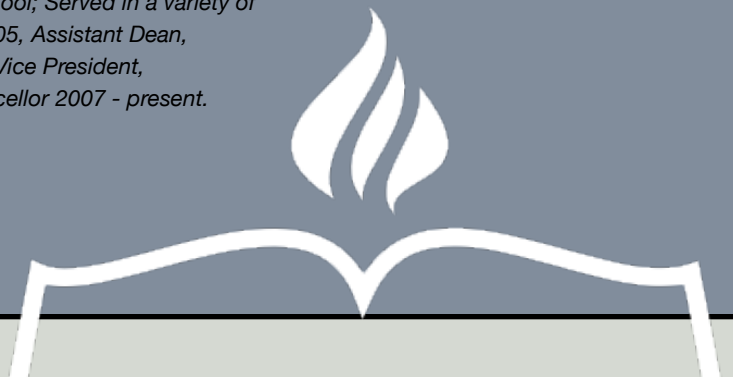

“In the warmer months, I can be found walking the gravel roads adjacent to the golden grain fields in sunny Eston; winter months force me to use the treadmill. A walk can really clear the mind but, more importantly, it affords a great opportunity to commune with God. I also enjoy reading highly recommended books and reminiscing about the days when I was not so athletically challenged. I might say that my passion is chocolate, but it really is my wife, Shelly, and my two children, Katie and Josh. It is an honour to be serving the Lord as the fifth president of Eston College.”

FACULTY

Josh Chalmers - Assistant Professor/Dean of Students

Children's Pastor, Swift Current Full Gospel Church, Summer 2003; Bachelor of Biblical Studies, Full Gospel Bible College, 2005; President of the Student Representative Council, Full Gospel Bible College, 2003-2004; Master of Arts in Theological Studies (cand.), Briercrest Seminary, 2008; 2009 - present.

“The New Testament is like a book where the author is also the main character. As we study the Bible together, we meet the God who made the universe in the face of Jesus Christ, the God-Man. But the best part of this story is that we are all part of it, for the Spirit of the same God dwells in each Christian, empowering them to act out their role in this grand story.”

Josh loves computers, video games, juggling, magic, ultimate frisbee, disc golf, and his wife Laura.

Laura Chalmers - ESL Director

Associate Degree in Biblical Studies, Eston College, 2003; Bachelor of Arts in Intercultural Studies with an Emphasis in TESOL (Teaching English to Speakers of Other Languages), Briercrest College, 2007; 2009 - present.

“Inviting the nations to study at Eston College brings a concrete sense of global awareness and mission to the lives of our students. Studying the Bible in a multi-cultural setting reminds us that the body of Christ is bigger than we usually realize. ESL is an essential part of the mission of Eston College, and my prayer is that

God's love will make us of one heart and mind as we study his word together.”

Laura loves coffee, ice cream, scrapbooking, crosswords, and her husband Josh.

Elmer Chen- Associate Professor of Theology

Bachelor of Theology (Pastoral Studies), Eastern Pentecostal Bible College, 1991; Assistant Pastor (English Ministries), Winnipeg, MB, 1994-1998; Master of Arts (Counselling), Providence Theological Seminary, 1999; Youth and Family Counsellor, Portage la Prairie, MB, 1999-2003; Master of Arts (Theology) (cand.), Providence Theological Seminary; 2005 - present.

Privileged to teach systematic theology and biblical studies at Eston College, Elmer is on a life-long journey towards better understanding and living with the vast mysteries of God. His other passion is to help others do the same. As a theologian, Elmer specializes in the questions of providence and evil. He is a grateful husband to Carlana and father to their two children, with whom he has been amazed by the extraordinary beauty of the sunsets and landscapes of Saskatchewan.

Levi's deep love for Christian education began in Eston, and he counts it a blessing to find himself in the halls and classrooms of Eston College once more. His love for learning and helping others along the way is motivated by a desire to address the questions of 'why?' and 'how?' concerning the Christian life, both with respect to its ancient roots as well as its practical expression today. Blessed with a beautiful family, Levi also loves spending time with his wife Shelley and little girl Avery – reading with them, walking with them, and enjoying the many gifts of God's creation together.
