
VISION 2015

Where are we headed?

Proverbs 29:18: Where there is no vision the people perish.

Mission: Leading people to follow Jesus.

Vision: Make Disciples. Develop Leaders. Be a Catalytic Leader in the Metro Area.

Strategy: Head. Heart. Hands.

THREE PART VISION FOCUS FOR 2015:

Focus #1: *Winter/Spring - Safe Families Focus*

I believe God has placed Safe Families in our lap as a good Kingdom focus for 2015. Let's pour our energy and effort into this noteworthy mission and cause. The church needs something to rally around and get excited about and we have this right in front of us.

Focus #2: *Summer of Impact - Outreach Focus*

Summer is a typical time of outreach for us as a church (VBS, church on the lawn, Bayrama, Ecco, etc.). Let's make this an intentional season of outreach and rally the church toward that.

Focus #3: *Fall - Capital Campaign Focus*

We have to get on board and commit to a capital campaign. If we don't we will never get there. I'm praying God gives us a building this year, literally gives us a building, but we must all be praying and seeking God for this part of the future for our church. Let's put a campaign together and run with it. We're more than ready! Work on vision process this year, to roll out with campaign.
