Laughter is the Best Medicine

Keep your sense of humor when all around you seems to be changing. This is a secret to leading a happy life. Our state of mind affects our world, so, when life seems to be getting you down, do something that makes you laugh. Laughter is truly the best medicine to help anything that ails you.

Don't take life too seriously. Life is meant to be enjoyed and savored, not be filled with drudgery, loneliness or despair or any other less than desirable state of affairs. Keeping your sense of humor helps you through those times as well as makes life simply better. Laughter is the medicine that heals all wounds. Seeing the ironic or even the absurdity of it all can help you to release it. No matter what is happening in your life, try to see the humor in it.

Maintaining a healthy sense of humor about most experiences causes you to feel lighter in spirit. To smile at life helps you to appreciate it so much more, keeps you alive with freshness for life and helps to release 'feel good' endorphins to assist in your feelings of well being. Do some laughing yoga, watch a funny movie, or read a funny book, go to a comedy club or do something that makes you laugh because you deserve to feel good and enjoy the moment of you life to its fullest.

Prayer Requests

This can be used to share with the body a prayer request, a word from the Lord, a word of encouragement, or other news you would like the congregation to be praying about. (births, deaths, celebrations) Fill out this sheet and place it in the offering. Half sheets available from ushers or can be found in back of the church
