Interview Question Release Form

Faith Christian Academy is dedicated to providing both excellence in academics and a biblically based environment for Christ-centered spiritual growth. As such, it is crucial that we provide strong spiritual mentors to our students. As a result, you may be asked personal questions during your employment interview process concerning your spiritual walk. The intent of these questions is not to be intrusive.

Mark one of the following and sign the form below. Please submit this form with your employment application.

- I have read the above and **agree** to participate in an interview process where personal questions may be asked.

- I have read the above and **do not agree** to participate in an interview process where personal questions may be asked.
