Standardized Testing

Dates MOVED

"The only thing that doesn't change is that EVERYTHING CHANGES!"

There is a modification to the previous newsletter. We will be administering the Stanford 10 standardized testing for 6-9 grade next week on March 12-13th (this is a change from the previous planned testing of March 26-29th).

Research shows that students do better on tests when they have had a nutritious breakfast the morning of and a good night's sleep the night before the test.

Thank you for your understanding!

NO SCHOOL the next day!

STUDENTS HAVE TO EMPTY THEIR LOCKERS!

If you are surprised by how full your child's back pack is on Friday, it is because they had to completely empty their locker. We have to move the lockers outside for two weeks and we do not want to risk anything being taken or damaged. Student will be told on Friday what books they will need for Monday and Tuesday. They will bring all of their school books back on Monday, March 26th.

CELL PHONES ON FIELD TRIPS

Students will be allowed to bring a cell phone on the field trips Wednesday and Thursday **IF** they are using it as a camera. However, please know that:

- Use will be monitored and any inappropriate use will result in confiscation of the phone and
- Parents have to send written permission for their student to have the cell phone with them.
