"Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this, says the Lord Almighty, and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it." Malachi 3:10

On "blessings" and "tests"... Malachi 3:10 is often heard as "law." We "should" tithe. But isn't Malachi 3:10 really an "invitation" to receive God's blessings? *Test me in this, says the Lord Almighty, and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it.* What a promise and what a blessing! God invites us to trust in Him, and when we do, the "floodgates" of heaven are thrown open and the promise is that blessings will overflow!

About 600 years after the prophet Malachi, Jesus said, *"Seek first the kingdom and His righteousness, then all these things shall be added to you..."* Life is full of lots of choices and often we try to do it all, resulting in burnout and frustration. But the good news is that when we "Seek first the kingdom," we find ourselves blessed and we find that God is faithful in providing all that we really need.

2) On our recent Ministry Fair....What a blessing! The Fellowship Hall was a happy "buzz" of activity as our various council ministries proudly displayed the many ways in which God is at work in our church. Best of all, we were blessed to have a number of folks sign up for new ministry opportunities. A big thank you to our amazing admin team of Gloria, Stacia and Tanja for organizing this event! Also, a big thank you to all the wonderful volunteers who helped with all the yummy snacks and drinks!

Pastor's Perspective Continued...

On our recent Wed Night Live launch... Wow! Awesome job last night (9/12)! I heard lots of compliments about the pizza (once it arrived!) It looked like just about every table was full, so we probably fed close to 75 people, which was at the top end of our range of expectations! Great start to the season! If you have the "gift of helps" and would be willing to help in the kitchen with set-up and clean-up on Wednesday nights, please let us know. We've made it easier than ever this year by providing pizza for the meal every week, which makes clean-up a cinch!

Indeed, FC was a beehive of activity with confirmation classes, KICS Dinner Theater preparing for their Christmas program, "A Charlie Brown's Christmas", the Family Devotions group, Kristy Martinez and her wonderful bible study on the Holy Spirit, Lifetree Café, 2 different men's bible studies were meeting at 7:00pm....AND two new bells choirs (adult and children) were rehearsing. I haven't even mentioned our worship! What a blessing! Diane had a wonderful little worship service for the KICS' kids and, wow, did they pray! I even heard about it on Facebook! And, Lucas did a great job leading music for our confirmation worship. Thank you, God! We're in for a awesome season making disciples!

On our new 2nd pastor Call Committee... Roger Olsen and Mark Praska did a great job last summer of heading up our 2nd Pastor Feasibility Team, and most of those same folks will be serving on our Call Committee. We welcome your comments and ideas; Roger Olsen, Mark Praska, Ed & Sam Smith, Brit Windel, Stephanie Desmothenes, Trevor Bonner, and Miles Olson.

On our 10@10 daily prayer... This has been a blessing for us this summer; 10 minutes of prayer at 10:00 with staff and whoever else might be in the building at the time. Indeed, one of our core values here at FC is to be "prayer-centered." However, **10@10 is now moving to 10@11** in order to accommodate more staff. Come and join us!

Consecration Weekend is Coming!

"Bring Something to Share."

Fall Stewardship

Stewardship comes from the heart and speaks not about the church's need to receive, but our need to give. Our faith overflows with a spirit of abundance, as we draw upon God's great love for us and our world. As divine grace flows through us and into the world, we call this Christian witness. Then our words, actions, time, talent and treasures flow generously too.

October 6-7: "He is Living on the Inside, Roaring Like a Lion."

October 13-14: Consecration Weekend

What will you bring to share?

Consecration -Noun.
a solemn commitment of your life or your time to some cherished purpose; allegiance, commitment, loyalty, dedication - the act of binding yourself (intellectually or emotionally) to a course of action.

~ BLESSED TO GIVE ~

The Faith Community Lutheran Church Endowment Fund

Q. How did the Faith Community Lutheran Church Endowment Fund come into existence?
A. The Endowment Fund was created through the donation of Hans Hansen at his death. A committee of Faith members was established to administer the Fund.

Q. Who manages the Fund?
A. The Endowment Committee, comprised of Faith Community members, manages the funds and determines its disbursements. There is no external fund manager, so no fees go to an outside entity to manage.

Q. How much does the Fund give away?
A. The Endowment Committee awards only earnings of up to 4% of the principal balance.

Q. How do I recommend a recipient for the Fund's gifts?
A. The Endowment Committee accepts grant applications in June and December for disbursement decisions in July and January. Persons or groups looking to start new ministries that bring people to Christ, and that would benefit from seed money should apply.

Q. How do I donate to the Fund?
A. Please contact the Director of Business Administration at Faith Community, one of the pastors, or a member of the Endowment Committee for assistance.

Outreach Dollars at Work

August 27, 2012

"I greet you in the blessed name of Jesus Christ our Lord and Savior.

I take this time to extend many thanks to you and the people of Faith Community Lutheran Church for the great help you are giving to the people of Gbonyea. We are very grateful for these blessed gifts. We pray that God will continue to bless you for sending this assistance for the betterment of the Community—Gbonyea.

I am planning to go to Gbonyea to meet with the School's Authority and the Community leaders so that we can start the construction of the annex to the School building. If you look in the budget below, you will see what we have allotted for this purpose.

I have asked the Pastor of the Gbonota parish to join the teachers so that he can provide Christian Education and counseling for the teachers as well as the students I hope that his presence will provide [more] Christian leadership for the school.

We had decided to pay each teacher \$50.00 per month. But because we have not completed the school building, we reduced this to \$30.00 for the ten active months of teaching and \$20.00 per month for the two months that the teachers will be on vacation. This is why we budgeted \$2,040.00 as pay for the teachers.

We are very happy that you were able to respond to our request to help us educate the children of this unknown village in rural Liberia. We truly cannot get over this assistance. Our prayer is that God will continue to bless you as you provide care and concern for people you have not seen. We don't even know if you will ever see them here on earth. However, we hope that one day one of you will have the opportunity to visit Liberia so that you can see the children you care for so much.

We received the total amount \$3,000.00 United States Dollars from Faith Community Church and \$500.00 from Celebration Lutheran Church. This money will be used for Marfeleh Sumo School. This is how we budgeted this money.

Teachers' salary \$2,040.00—6 teachers @\$30.00 for 10 months and \$20.00 for two months

We need to maintain the school building by replacing the doors, windows, blackboards and others @ \$300.00

We need a three-in-one pit-latrine @ \$421.50

We need to extend the school building to house the students from Nursery to 6th grade @ \$583.00

We need to transport the materials from Monrovia to Gbonyea @ \$155.50

This is the amount that was set aside for the Marfeleh Sumo Academy: \$3500.00. I will give you the full report as soon as I go through the expenditure of this money. It will take 45 working days after I deposit the money into the bank before I can withdraw it for the implementation of any of these activities.

God richly bless us all in Jesus' name."

PRAYER SHAWL CELEBRATION

The Prayer Shawl Ministry began at FCLC in August 2007 when Marsha Tollefson received a prayer shawl from her son's church. Marsha soon introduced this wonderful ministry to Faith Community, and the ministry took off immediately. Now, just 5 years later, more than 1000 shawls have been created and more than 950 distributed to people in need of comfort. On August 27, 2012, this milestone was celebrated with several special guests in attendance at the monthly meeting. We praise God for this very special ministry that has brought the comfort of a prayer shawl to so many people. The prayer shawls are available to anyone who needs one. You may obtain one by calling the church office or by contacting one of the ministry leaders, Janet Streed or Carole Freeman.

Faith Community Prayer Shawl Ministry

These members of the Prayer Shawl ministry stand in front of the beautiful quilt which was presented to Faith Community by Elena de Porras, director of teen Challenge Women's Center in Juarez, Mexico. The quilt was sewn by the women at Retro a la Juventud using a large quilting machine they purchased in part with FCLC Outreach and Endowment dollars. The quilt is on display in the Sunset Room.

Kids Hope is doing great things across the country, and we here at FCLC are a part of it! Here is an article from the Kids Hope website:

Published in Across the Country on March 8, 2012 by Drew Peirce

“An hour ago I got a haircut.”

I know, I know... one of the most boring titles imaginable right? (and yet reflects 90% of the status updates on Facebook I see. But that is fodder for another blog.)

An hour ago I got a haircut.

And as Stacey led me to my chair, I got the standard question 1 and 2:

“Here on your lunch break?”

“Where do you work?”

I shared about my work with Kids Hope USA, expecting the usual polite comments, but instead was overwhelmed by Stacey’s excitement.

“This week my son Max had his very first meeting with his Kids Hope mentor, Brent! I was at the end of my rope, and felt helpless. But then his teacher shared about having a Kids Hope friend. It’s just what he needs.”

What struck me about this match was it’s beginning. Not last week when Max and Brent met. Not when the teacher recommended Max have a mentor. If you trace the timeline back you eventually get to one simple conversation. Someone like you, sharing with someone they knew, about Kids Hope USA.

Someone stepped out and shared with another church or school. Someone shared with a friend or family member.

To that someone, on behalf of Max and his mom, I’d like to say thank you. And to those of you out there sharing, keep at it! The “Maxes” of the world need you.

Reaching **12,665** children through **763** church-school partnerships...and growing!

Congratulations, Marilyn Jackson, for winning the grand prize giveaway from the Ministry Fair, September 9th.

Mission Trip Opportunity for FC

In honor of FC member, **Kirsten Herring**, who passed away suddenly in September of 2011, Faith Community has been invited to join with a mission team from Lifebridge to travel to the remote hills of northern Thailand to build a medical clinic.

This two-week trip is scheduled for February 1st-17th, 2013, and volunteers are invited to participate in one or both weeks. The first week will focus primarily on exterior construction and the second, interior. Accommodations, food and transportation are provided while in Northern Thailand. The cost for this trip, which includes air-fare to and from Bangkok, airfare from Bangkok to Chiang Mai, and hotel in Bangkok totals approximately \$1600. For more information please contact Deb Bonner at gary_debbonner@comcast.net or Mandy Wormke at mwormke@gmail.com.

Kirsten Herring dedicated much of her time to helping others by volunteering and teaching. Her daughters, Kate and Olivia, are very active in FC's youth activities.

He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away.

Showing Respect to Your Elders

- Don't refer to them by their first name, unless asked to.
 - Listen to their advice. Your elders have lived a lot longer than you, which means they have experienced more and have grown very wise. Listen to what they have to offer.
 - Offer to help. Ask to help carry groceries in, hold a door open, or something else that is simple but genuine.
 - Use basic manners. A simple please and thank you can mean a lot. Always be polite and sincere.
 - Show an interest in their life. Ask them about their childhood, or how things were in the past.
 - Be a friend. Offer to read to them, or maybe even have a cup of hot chocolate together. You'll both find a pal!
