Pastor’s Perspective Continued...

On our recent Wed Night Live launch... Wow! Awesome job last night (9/12)! I heard lots of compliments about the pizza (once it arrived!). It looked like just about every table was full, so we probably fed close to 75 people, which was at the top end of our range of expectations! Great start to the season! If you have the “gift of helps” and would be willing to help in the kitchen with set-up and clean-up on Wednesday nights, please let us know. We’ve made it easier than ever this year by providing pizza for the meal every week, which makes clean-up a cinch!

Indeed, FC was a beehive of activity with confirmation classes, KICS Dinner Theater preparing for their Christmas program, “A Charlie Brown’s Christmas”, the Family Devotions group, Kristy Martinez and her wonderful bible study on the Holy Spirit, Lifeteen Café, 2 different enhanced bible studies were meeting at 7:00pm… AND two new bells choir (adult and children) were rehearsing. I haven’t even mentioned our worship! What a blessing! Diane had a wonderful little worship service for the KICS’ kids and, wow, did they pray! I even heard about it on Facebook! And, Lucas did a great job leading music for our confirmation worship. Thank you, God! We’re in for a a awesome season making disciples!

On our new 2nd pastor Call Committee…Roger Olsen and Mark Praska did a great job last summer of heading up our 2nd Pastor Feasibility Team, and most of those same folks will be serving on our Call Committee. We welcome your comments and ideas; Roger Olsen, Mark Praska, Ed & Sam Smith, Britt Windel, Stephanie Desmothenes, Trevor Bonner, and Miles Olson.

On our 10@10 daily prayer…This has been a blessing for us this summer; 10 minutes of prayer at 10:00 with staff and whoever else might be in the building at the time. Indeed, one of our core values here at FC is to be “prayer-centered.” However, 10@10 is now moving to 10@11 in order to accommodate more staff. Come and join us!

August 27, 2012

"I greet you in the blessed name of Jesus Christ our Lord and Savior.

I take this time to extend many thanks to you and the people of Faith Community Lutheran Church for the great help you are giving to the people of Gbonyea. We are very grateful for these blessed gifts. We pray that God will continue to bless you for sending this assistance for the betterment of the Community—Gbonyea.

I am planning to go to Gbonyea to meet with the School's Authority and the Community leaders so that we can start the construction of the annex to the School building. If you look in the budget below, you will see what we have allotted for this purpose.

I have asked the Pastor of the Gbonota parish to join the teachers so that he can provide Christian Education and counseling for the teachers as well as the students I hope that his presence will provide [more] Christian leadership for the school.

We had decided to pay each teacher $50.00 per month. But because we have not completed the school building, we reduced this to $30.00 for the ten active months of teaching and $20.00 per month for the two months that the teachers will be on vacation. This is why we budgeted $2,040.00 as pay for the teachers.

We are very happy that you were able to respond to our request to help us educate the children of this unknown village in rural Liberia. We truly cannot get over this assistance. Our prayer is that God will continue to bless you as you provide care and concern for people you have not seen. We don't even know if you will ever see them here on earth. However, we hope that one day one of you will have the opportunity to visit Liberia so that you can see the children you care for so much.

We received the total amount $3,000.00 United States Dollars from Faith Community Church and $500.00 from Celebration Lutheran Church. This money will be used for Marfeleh Sumo School. This is how we budgeted this money.

Teachers’ salary $2,040.00—6 teachers @$30.00 for 10 months and $20.00 for two months
We need to maintain the school building by replacing the doors, windows, blackboards and others @ $300.00
We need a three-in-one pit-latrine @ $421.50
We need to extend the school building to house the students from Nursery to 6th grade @ $583.00
We need to transport the materials from Monrovia to Gbonyea @ $155.50

This is the amount that was set aside for the Marfeleh Sumo Academy: $3500.00. I will give you the full report as soon as I go through the expenditure of this money. It will take 45 working days after I deposit the money into the bank before I can withdraw it for the implementation of any of these activities.

God richly bless us all in Jesus’ name."

The Prayer Shawl Ministry began at FCLC in August 2007 when Marsha Tollefson received a prayer shawl from her son's church. Marsha soon introduced this wonderful ministry to Faith Community, and the ministry took off immediately. Now, just 5 years later, more than 1000 shawls have been created and more than 950 distributed to people in need of comfort. On August 27, 2012, this milestone was celebrated with several special guests in attendance at the monthly meeting. We praise God for this very special ministry that has brought the comfort of a prayer shawl to so many people. The prayer shawls are available to anyone who needs one. You may obtain one by calling the church office or by contacting one of the ministry leaders, Janet Streed or Carole Freeman.

Trunk or Treaters, come with Mom or Dad in your non-scary costume and spend the time going from trunk to trunk, collecting candy from FC members who have decorated their vehicles to serve as a backdrop for this event! Hot dogs, apple cider and s’mores are also part of the evening.

Here’s what we’re learning in Preschool-5th Grade Sunday School:

David, Child of God (1 Samuel 16 & 17)

Please let Nanette or Sandi Buderus know if you are interested in being a “trunk” for this event! The more we have, the more fun it will be for the kids!

Did you know that Lifetree Café is an opportunity for you to invite those who may not be interested in a traditional church setting? You can go to lifetreecafe.com and see trailers for the upcoming topics. Share them with your friends or co-workers or someone who might be interested in the topic. If you know of a community bulletin board where you can post a flyer, please pick one up and do so. Lifetree Café might be the God fit your friend may be looking for.

"An hour ago I got a haircut."

I know, I know... one of the most boring titles imaginable? (and yet reflects 90% of the status updates on Facebook I see. But that is fodder for another blog.)

An hour ago I got a haircut. And as Stacey led me to my chair, I got the standard question 1 and 2: "Here on your lunch break?"

"Where do you work?"

I shared about my work with Kids Hope USA, expecting the usual polite comments, but instead was overwhelmed by Stacey’s excitement.

"This week my son Max had his very first meeting with his Kids Hope mentor, Brent! I was at the end of my rope, and felt helpless. But then his teacher shared about having a Kids Hope friend. It’s just what he needs." What struck me about this match was it’s beginning. Not last week when Max and Brent met. Not when the teacher recommended Max have a mentor. If you trace the timeline back you eventually get to one simple conversation. Someone like you, sharing with someone they knew, about Kids Hope USA.

Someone stepped out and shared with another church or school. Someone shared with a friend or family member.

To that someone, on behalf of Max and his mom, I’d like to say thank you. And to those of you out there sharing, keep at it! The “Maxes” of the world need you.

You won’t want to miss it.

This tw-week trip is scheduled for February 1st-17th, 2013, and volunteers are invited to participate in one or both weeks. The first week will focus primarily on exterior construction and the second interior. Accommodations, food and transportation are provided while in Northern Thailand. The cost for this trip, which includes airfare to and from Bangkok, airfare from Bangkok to Chiang Mai, and hotel in Bangkok, totals approximately $1600. For more information please contact Deb Bonner at gary_debbonner@comcast.net or Mandy Wormke at mwwormke@gmail.com.

Kirsten Herring dedicated much of her time to helping others by volunteering and teaching. Her daughters, Kate and Olivia, are very active in FC’s youth activities.

Senior Ministry

Showing Respect to Your Elders

Don’t refer to them by their first name, unless asked to:

Listen to their advice. Your elders have lived a lot longer than you, which means they have experienced more and have grown very wise. Listen to what they have to offer.

Offer to help. Ask to help carry groceries in, hold a door open, or something else that is simple but genuine.

Use basic manners. A simple please and thank you can mean a lot. Always be polite and sincere.

Show an interest in their life. Ask them about their childhood, or how things were in the past.

Be a friend. Offer to read to them, or maybe even have a cup of hot chocolate together. You’ll both find a pal!
