Back to the Basics Worksheet: Meet the Holy Spirit!
As believers in Jesus, sometimes we find that our spiritual gas tanks are running low or even empty.

One reason this happens is that we try to follow Jesus on the basis of our own strength (______boat disciples).

But Jesus wants us to follow Him through the power of the Holy Spirit (______ boat disciples).

So then Jesus’ provision for keeping our spiritual gas tanks full is the _________ ____________. He wants us to be led by Him, guided by Him, and filled with Him. (John 16:7; Acts 1:8; Romans 8:14; I Cor. 3:16; Galatians 5:16; Eph. 5:18)

2. He worked the miracle of the _________________ of Jesus in the womb of the Virgin Mary. (Luke 1:34-35; Matt. 1:18, 20)
3. He is responsible for the _________________ of the unbeliever. (I Corinthians 12:3)
4. He is active in the _________________ of the believer, as He provides us with His ___________ (Galatians 5:22-23) and His ___________. (Rom. 12:6-8; I Cor. 12:4-11; Eph. 4:11-13; I Peter 4:10-11)
