## Isaiah 1-12, The Holy One of Israel in Our Midst

Dr. Andrew Bartelt, Professor of Exegetical Theology

Working from the structure and thought progression of this first major section of the great “vision” of Isaiah, the message of God’s presence in Zion in the midst of his people is as important today in understanding the identity and mission of the body of Christ, centered in the presence of God in Christ. We will work through these chapters, paying special attention to some of the key passages (and pericopes), including the Immanuel prophecy and the hope in the house and lineage of David.

Cost: \$135
