

CIA- Young Adults Group

Our Mission: The mission of CIA is to grow together in Christian faith while bringing new people into enthusiastic Christian living

We meet once per month to either grow our faith or help out our community. Some of the events that we have done in the past are beach bonfires, rummage sale for families in need, canned food drive for the hungry, ice skating and more. The group is specifically for those out of high school in the college or post college phase in life. Please contact group coordinator Kara Miller at kara_abajian@yahoo.com for further group event information.
