

## Confirmation at Faith Lutheran Church

Confirmation is a two year youth education and Christian formation program that begins as early as 7<sup>th</sup> grade. It is also our youth group for Middle-School Youth.

It is taught by Pastor Berkedal and alternates between years that focus on the Bible and on years that focus on some of the other basics of the Christian faith, i.e. The 10 Commandments, the Apostles Creed, the Lords Prayer, Communion, Baptism, ethics and morality, and more.

Classes take place weekly during the school year at a time chosen by the class at the beginning of the school year.

Youth who are a part of the Confirmation Class assist with worship services, participate in community service activities, attend the annual Night of Champions at APU, go Christmas Caroling to shut-ins, cook the Palm Sunday Pancake Breakfast, help with parade floats and community festivals, and much more.

The class has a monthly pizza night and occasional junk food nights,

It designs its own class T-shirt and hoodie at the beginning of the year.

Visitors are welcome to come and observe the class. After the first visit, they will be encouraged to enter into the class discussion and assignments.
